About me:

During my school and puc years, I maintained a GPA of 8 while taking Advanced Placement courses, demonstrating my commitment to academic excellence. As President of the Student Council, I led initiatives that boosted student engagement and organized successful events, while also serving as Captain of the varsity soccer team, fostering teamwork and sportsmanship. My dedication to community service is evident through over 100 hours volunteered at the local food bank, where I assisted with food distribution. Additionally, I co-founded the Environmental Club, promoting sustainability initiatives within the school.

Professional Experience:

- **Retail Experience:** Helped customers at Target by answering questions and handling transactions.
- **Internship Experience:** Supported office tasks at Accenture Company, including organizing files and entering data.
- **Leadership Role:** Led the Student Council at Lincoln High School, organizing events that attracted more members.
